CONTRACT FURNITURE

Established in 1991 as a family business, S.A.W. Ltd. has undergone major expansion and restructuring to exceed growing expectations from customers and the highest standards in the industry. Operating from a new state-of-the-art facility with 6000 square meters foot print dedicated to the manufacturing facility, offices and show areas, S.A.W. Ltd. strives to be an imaginative, competitive and timely blue chip supplier of contract furniture to both foreign and local customers, and achieve excellence in this field.

Over these years, the company has successfully managed a large number of high profile contracts for a variety of customers. Projects were implemented in central and Eastern Europe as well as in North Africa, allowing the company to become a leading manufacturer of quality furniture with an array of quality projects in its portfolio. S.A.W. Ltd. thrives by targeting technically challenging projects, as well as projects where logistical constraints necessitate a high degree of service.

The company's main areas of expertise are in the manufacturing of quality furniture for public areas, bars and pubs, restaurants, retail outlets, hotel rooms and luxury residences. S.A.W. Ltd. ensures that for each and every project it provides its customers with a complete one stop shop solution taking designer drawings from concept to completion. Additional materials such as stainless steel, metals, glass, marble, upholstery and refrigeration equipment, can be integrated in the finished project and supplied installed, ready to use.

S.A.W. Ltd. is an innovative, client-driven, service-oriented company that takes pride in aiding customers on projects of any size.
