

Artec Contract Design

We provide our clients with a variety of different natural and man-made materials including exotic timber and veneers all of which are intended to enhance the value of wood and the end product.

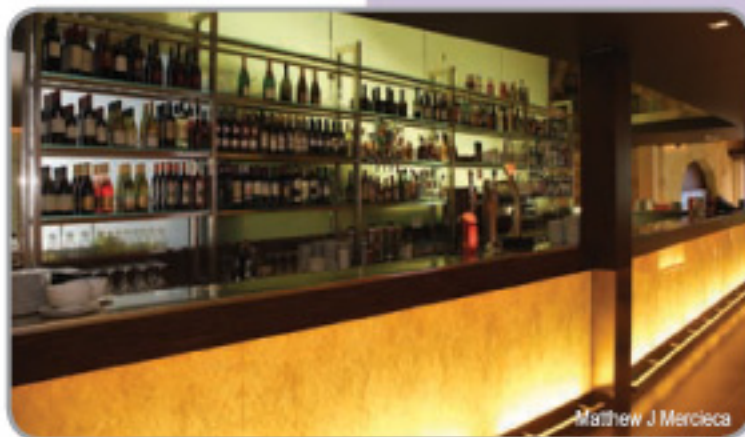

From furniture for public areas, bars and pubs and restaurants, to retail outlets, hotel rooms and luxury residences, the company ensures that each project remains a one-stop shop solution for clients taking designer drawing from concept to completion. S.A.W. Ltd integrates a variety of different materials ranging from stainless steel, brass, iron, glass, mirrors, marble, stone, upholstery and man-made and natural wood to create unique furniture pieces.

The company has manufactured custom furniture items that included purpose-built refrigeration systems in a number of high profile projects.

S.A.W. Ltd offers endless possibilities, attending to the client's specific needs from start to finish.
